OFFICE OF PETITIONS

In re Application of	:	
Zhang	:	Decision on Petition
Application No. 09/995,506	:	
Filing Date: November 27, 2001	:	

This is a decision on the petition under 37 CFR 1.137(a), filed December 6, 2005, to revive the above-identified application.

The petition is **DISMISSED**.

Facts:

A non-final Office action was mailed on January 13, 2005.

The Office action stated, "A SHORTENED STATUTORY PERIOD FOR REPLY IS SET TO EXPIRE 3 MONTH(S) FORM THE MAILING DATE OF THIS COMMUNICATION." The Office action stated that extensions of the three-month deadline were available under 37 CFR 1.136(a).

Petitioner never obtained an extension of time to file a reply to the Office action mailed January 13, 2005. Therefore, a reply was due by April 13, 2005, or the application would become abandoned.

A reply to the Office action was not filed until July 8, 2005. The reply was not signed by applicant. The reply included a small statement at the end of the remarks indicating the correspondence address had changed for petitioner.

The Office improperly mailed a Notice of non-complaint amendment on August 1, 2005. The Notice was improperly mailed because the application had already become abandoned as the result of applicant's failure to timely reply to the January 13, 2005 Office action.

A Notice of Abandonment was mailed on December 23, 2005.

Analysis:

Petitioner contends the Notice of Non-Compliant Amendment was never received. However, petitioner fails to address petitioner's failure to timely reply to the January 13, 2005 Office action. Petitioner has failed to prove the abandonment of the application was unavoidable.

Any request for reconsideration must be submitted within TWO (2) MONTHS from the mail date of this decision. No further petition fee is required for the request. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(a)." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

Petitioner may wish to consider filing a petition to revive based on unintentional abandonment under 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by the required reply (already submitted), the required petition fee (\$750 for a small entity), and a statement that the **entire** delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. A copy of a blank petition form is enclosed for petitioner's convenience.
